Dear Costumer

Concerns invoicing

Dear customer

Please pay attention , from (1 October) we will invoice with a "Pay link from IDEAL".
You will receive the invoice by email at the beginning of the new month.

It is important that we have the **correct** email address for the invoice.

Is this not possible? Then it is important that we have your **mobile number**, we
can send you a "Pay link from IDEAL" via the SMS / WhatsApp.

If you do not want to give any data from privacy, than it is not possible to leave your
dry cleaning goods behind. You can bring it yourself at the Rijn street at a 5-minute
walk. in the street of (ETOS / GALL & GALL MULTIVLAAI).

Here you can pay cash / debit / credit card directly

Sincerely,

Dennis de Beer
